

FRAMING OPTIONS

Framed prints are made for an 11x14 print, (16x20 frame size), include matting and come ready to hang.

Due to the delicate nature of frames, all framed prints will be delivered the day of the wedding or can be picked up in Kingwood, TX.

* Frames depend on availability. If the frame you choose is out of stock, a similar frame will be ordered in it's place.

Black Vermeer

This gorgeous frame features a flat black finish, a beveled design, raised line accents on the inner and outer borders, and plenty of timeless charm.

Black Bergamo

This gorgeous frame features a rich black finish and an elegant raised leafy scroll texture that's sure to complement the subject it surrounds.

Acanthus Design

This frame features an etched acanthus design that slopes outward and draws the eye to the photo center.

Brown Palermo

Add rich, rustic vibes to your home or office with this stunning Brown Palermo Open Frame!

Bronze Stucco Design

This frame features a stucco embossing with large dots surrounding the photo opening. The bronze finish will complement any photo, from family memories and loved ones to pets and scenic views.

Light Natural Driftwood

This gorgeous frame features a light, weathered wood finish with a golden inner border that's sure to complement the subject it surrounds.
